

NIGHT OUT

Tuesday June 9th 2015

Please join us in supporting CHIPS, Park Slope's community soup kitchen and women's shelter, by participating in it's annual "CHIPS Night Out."

By donating 15% of your evening's dinner checks, you will help feed the hungry and shelter women and their babies. We will be promoting this event and participants through our **email list, Facebook page, website and window posters**. All participating restaurants will listed along with their website link and address. Commit by May 20th to have your listing included.

Participation is easy!
