

HOW CAN I HELP?

Getting Involved at
CHIPS

ORGANIZE MAKING AND DELIVERY OF SANDWICHES

We are always in need of sandwiches; each day we provide a take-away sandwich to accompany our hot lunch. This sandwich can be critical for folks without access to a dinner meal. We distribute up to 400 sandwiches per day between our lunch service and sandwich only service each afternoon.

This project is a simple and inexpensive way to make an immediate and high-impact.

ORGANIZE MAKING AND DELIVERY OF BAKED GOODS OR OTHER SNACKS

We provide nutritious hot meals each day, but a sweet treat can always brighten someone's day! Whether you make homemade baked goods or assemble store bought snack bags, this project is a thoughtful way to show those we serve that you care.

ORGANIZE MAKING AND DELIVERY OF TOILETRY KITS

We aim to provide our guests with basic toiletries such as toothbrushes and toothpaste, soap, shampoo and conditioner, deodorant and lotion. Other requested items include razors and shaving cream, floss, and chapstick. Packing kits in gallon size ziplock bags works well and including a friendly note or drawing is welcome too!

ORGANIZE A FOOD DRIVE FOR OUR WEEKLY PANTRY

CHiPS' pantry program offers "stove-top" and "no-cook" bags. We serve folks who have traditional kitchens, as well as those who might only have access to a microwave. You can access a list of food drive and most wanted items [here](#).
